Institute, location

1 Presentation

- introduction
- fonts
- footnotes

2 Collections

- lists
- tables
- blocs

3 Next section

- subsection 1
- subsection 2
- subsection 3

4 One more section

- subsection 1
- subsection 2
- subsection 3

Flux is a modern style beamer presentation. It is provided as a work in progress version and may suffer from inconsistencies. Sources and complementary information are available at

github.com/pvanberg/flux-beamer

Flux provides five different color palettes.

```
\usepackage[style=asphalt]{flux}
```

ECT

UFRN

Asphalt

Blue

Green

Red

Gray

Flux recommends the use of Roboto or Overpass font and a font size of 9pt.

```
\documentclass[9pt]{beamer}  
\usepackage[sfdefault]{roboto}
```

Flux also implements default typographies.

- Regular
- Alert
- Example
- *Italic*
- **Bold**

Flux also includes custom footnote integration. For instance, this **element**¹ and this **element**² provide a footnote.

¹Footnotes are notes placed at the bottom of a page. They cite references or comment on a designated part of the text above it. For example, say you want to add an interesting comment to a sentence you have written, but the comment is not directly related to the argument of your paragraph.

²Footnotes are not just for interesting comments, however. Sometimes they simply refer to relevant sources – they let your reader know where certain material came from, or where they can look for other sources on the subject.

Items

- Cats
- Dogs
- Birds

Enumerations

1. First
2. Second
3. Last

Descriptions

Apples Yes
Oranges No
Grappes No

Note the following demo slides are directly taken from metropolis theme. Copyright 2014 Matthias Vogelgesang.

Bloc diagram example from **texample.net**

Binary Softmax classifier

$$\sigma(\sum_i w_i x_i + b)$$

Loss function

$$L_i = -\log\left(\frac{e^{f_{y_i}}}{\sum_j e^{f_j}}\right)$$

cross entropy

This is a plain frame.
